

Historical Society Update and 2016 Renewal

On behalf of the Sierra County Historical Society Board of Directors, thank you for your commitment to our organization. Generous gifts like yours help us operate the Kentucky Mine Museum and Historic Park in Sierra City. Your donations sustain our ongoing endeavors: "Music at the Mine", *The Sierran* newsletter, current projects and our website: sierracountyhistory.org.

Museum and Park Projects

This year your renovation donations were used to purchase and install ultraviolet protective film for all the museum windows.

The preservation of the stamp mill is our highest priority now. Due to the colony of Townsend Big-Eared Bats in the mill and mine tunnel, linseed oil must be used to preserve the stamp mill. This is a huge job and we are putting it out to bid now for completion in the spring. It is essential that we maintain our historical resources.

Members receive free entrance to the museum and tours and don't forget the annual picnic in the fall at a location of historic interest. We hope you will join or continue your support by renewing your membership. Please complete the information below and send your check to the address provided.

Thank you for helping us preserve Sierra County's historic legacy.
